Delivering Reality...

ANNIVERSARY CELEBRATIONS

www.sannainnovations.com

About US

Allow us to introduce our self.

Sanna means brilliance, that's my daughter's name too...the company will be a gift for her lifetime.

Having a decade of experience serving industries like Education, Consumer electronics, Automotive, Retail, Finance, BPO's, KPO's Insurance, Hospitality, High Technology, Telecom, Government administration, Public facilities, Healthcare, Travel & Transport, Aerospace & Defense. Our CEO, dreamt of his own firm and that's when Sanna Innovations got evolved.

We are the innovators, It will be different in everything what we do this makes us stand apart from our competitors.

We deliver reality in the area of e-commerce, application development, digital marketing, graphic design, photography and video production. Building Awesome Websites/Software with good aesthetics has become passion for our engineers.

Delivering Reality...

What we Believe

We believe that great design should be meaningful, usable and beautiful. We believe that you need to live a balanced life.

We believe in hugging our clients and helping each other out.

We believe in the power of culture and being authentic.

We believe the most important thing in life is to do what you love, and love what you do.

We also provide technologically high end innovative solutions for the challenges faced in today's world.

Video Productions

Pre-production
Pre-production is the planning stage of your shoot and occurs before the camera starts rolling. By creating story boards, scripting, scouting locations, and figuring out the budget ahead of time.

Post-production
The most of the footage captured by providing a plenty of tips and tracks, as well as picture, Graphics and Compositing, Media Management, Authoring, Sound editing and Video editing techniques to help with your post production needs.

Ideas with Impact ...

BLUE SPHERE
Advertising Solutions

It's all about moving with the time & the technology. Bluesphere advertising solutions founded in 2011, as over the years marked its presence in the world of Advertising, Branding & Public Relations. We deliver tangible results for a broad diversity of clients. We're experts at generating new business for them, encouraging clients to spend their marketing rupee wisely. While our expertise doesn't extend to creating the universe, We'll help increase awareness for your products or services – regionally and nationally. And since every client – regardless of size or billings – is equally important to us, you won't get lost in the shuffle, enjoying responsive "hands-on" service.

Vision Making everyone's dreams come true.

Mission Our mission is to provide reliable and quality services to our clients operating in diversified fields with utmost level of transparency, integrity and trust, providing them with innovative solutions to deliver high performance while maintaining our professional and ethical code of conduct. We seek to become one of the most trusted and respected business partner for the corporate and continue to serve our clients with dedication and confidence driven by our core values.
